

INSTRUCTIONS

Bike Flag

Includes:
Bike Flag
Fiberglass Pole
Bracket

1

Loosen the screw from the rear axle of the bike.

Note: The screw does not need to be removed to mount the base.

2

Mount the base of the flag on the rear axle of the bike.

Note: If the screw was removed in the previous step, put it back in place.

3

Tighten the screw on the rear axle of the bike and check to make sure that the flag is on securely.
