

INSTRUCTIONS

Car Mirror Cover

Includes:
Stretch Polyester Cover with Elastic Band

1

Slide the Car Mirror Cover onto your car's mirror with the drawstring side closest to the body of the car.

2

Be sure to loop the Cover onto the mirror so that the fabric is displayed on the back of the mirror and the drawstring is resting in front of the mirror.

3

Push in the button on the drawstring to tighten the Car Mirror Cover appropriately.

4

Adjust the Car Mirror Cover accordingly to remove any wrinkles and ensure a proper fit.
