

INSTRUCTIONS

Snap Hook & Halyard

Includes:
Snap Hook
Halyard Rope

1

Take one end of your rope and at about one foot from the end, pinch the rope together.

2

Slide the pinched area of the rope through the loop at the bottom of the snap hook, and pull it over the head of the hook.

3

Grasping the head of the hook and the rope, pull tightly to secure it in place.
