

# INSTRUCTIONS

## Auto Rise Light Table Stand

Includes:  
Carrying Case  
Auto Rise Light Table  
Graphic

1

Table comes in the compact (down position). Pull up until table starts to rise on its own.

2

Table will rise until fully expanded. When finished push top back down until unit collapses again.

3

Insert plug from Auto Rise Light Table Stand into electric socket. Be careful to place the cord where no one will trip over it.
